Questions about Cookie Quality?

Recent reports in the Winston-Salem, North Carolina area implicated that our cookies were damaged by flooding in a storage facility. These reports were not accurate. Little Brownie Bakers storage facilities were not affected by flooding as a result of recent storms. You can be assured that we would never do anything to compromise the trust you have placed in us to provide high quality, safe food. We appreciate your support of the Girl Scouts in your community.

This 2008 season, Little Brownie Bakers serves approximately 140 councils. We bake the following Girl Scout® cookies:

All Abouts

Do-si-dos®

Lemon Chalet Cremes

Samoas®

Sugar Free Chocolate Chips

Tagalongs®

Thin Mints

Trefoils®

We love to hear from our consumers! If you would like to contact us, please visit www.littlebrownie.com and choose Contact Us from the left menu.
