**Choose one statement below which is most true for you:**

- 1. I like people, enjoy interacting with others and can plan a great party. I usually work on projects ahead of time. I organize my assignments and homework and keep an agenda. My room is usually neat.**
- 2. I am detail-minded, organized, and good at remembering things like phone numbers, game scores, and my friends birthdays. I like to solve Sudoku puzzles and be the banker in my favorite games.**
- 3. I am creative and have lots of artistic talents. I love to read, write, paint, draw, cook, and I am always coming up with new ideas. I love to rearrange my room. I have a way with words. I often find myself doodling in class.**
- 4. I like people, and prefer socializing rather than being alone. I'd rather go to a festival than a movie. I love to talk to people and am always ready to call a friend. I am patient and flexible.**
- 5. I have good common sense and patience. I am curious, adventurous and wonder why things are the way they are. I love experimenting, asking questions, predicting, and analyzing outcomes. I use technology for most of my school assignments and enjoy learning new technology.**
